

Prince of Peace School's Outline of the Before School Care program

Prince of Peace's onsite Before School Care program provides a safe, loving, Christian atmosphere. Working parents or those who just need to take advantage of the program on a drop-in basis will find it to be a good option for their children during before school hours. Should you be interested in having your child participate in this, the program information is listed below. Although we don't anticipate any changes to what is described below, it is possible that change(s) could be made throughout the year for the improvement of the program. You will always be made aware of any changes.

2007-08 Rates/Billing

The fee is based on a flat rate and not an hourly basis. The daily fee for attendance is \$1.40 per student unless you are contracted for After Care, then Before School Care is free. There is no contract for Before School Care. **You will need to prepay \$28.00 which is 20 days in advance per student.** Invoices will be mailed as a reminder that your child will need more money for Before School Care.

Attendance Policy

Before School Care is open each school day beginning at 7:15 a.m. You will **not** have to notify the school office if your child needs to attend Before School Care. As long as you have prepaid for Before School Care, this program is designed as a drop in when need.

Rules/Expectations

The health and safety of your child is our top priority. In order to maintain a safe and enjoyable atmosphere at Before School Care, the children are expected to follow the rules that have been established for this program and respect others. The Before School Staff will document any inappropriate behavior using the Incident Report. If frequent discipline concerns arise, a meeting will be scheduled for parents, school staff and child.

Activities

This program is designed to include the use of the lunch room, and the gym. Gym shoes are required to play in the gym (same requirements as for PE). Various activities are also available to the students, such as: coloring, board games, and legos.

Snacks

No breakfast is offered.

Closing

Before School Care will be canceled when school is canceled due to weather. Before School Care will be opened at 7:15 a.m. when there is a late start. There will be no Before School Care when school is not in session.

Security/Safety

Any time a child needs to go to the bathroom, they will do so on a "buddy system" basis. The pick up door will be located on the east side of the building which enters directly into the lunch room. See Security guidelines. (Currently in process of implementation)
